

ON FARM BREEDING CONTRACT
Lake Nowhere Judah

This JACK BREEDING CONTRACT for the breeding season of 2020, is made and entered into on _____ by and between Katherine Browne of West Elk Equine herein after designated breeder, and

_____ herein after designated mare owner. Mare/jennet owner agrees to

breed the Mare/jennet _____,

Reg.No. _____, to the Mammoth Jack, Lake Nowhere Judah, for the fee of \$600.00 for one mare, \$700 for one jennet, or \$1,100 for two mares, and \$1,200 for two jennets. Please contact us directly for additional multiple mare/jennet discount information. This includes a live foal(s) guarantee, subject to the following conditions:

The full breeding fee is payable prior to execution of this contract. All other expenses, when mare/jennet is picked up or when mare/jennet owner is invoiced, whichever is first. Invoices are payable upon receipt. Mare/jennet owner may not remove mare from breeder's possession until all expenses are paid in full including veterinarian and farrier expenses.

Breeder agrees to provide suitable facilities for the care and feed of mare/jennet and/or foal while in his custody. Mare/jennet owner agrees to pay for care and feed at \$8 per day for dry mares and \$10 day for wet mares.

Breeder will exercise judgment consistent with recognized standards in care and supervision of mare and/or foal. Breeder assumes responsibility for arranging veterinarian and farrier services as necessary. Breeder's veterinarian will examine mare for normal breeding conditions and administer medical care as deemed necessary for the health and safety of the mare and/or foal. All veterinarian

and farrier expenses will be paid by Mare/Jennet Owner. West Elk Equine may utilize live cover or on farm artificial insemination. Mare owner agrees to the use of breeding restraints, twitch, and/ or oral Dormosedan gel as a sedative if deemed necessary for the safety of the stud, West Elk Equine staff, and the mare/jennet. Sedation will be billed to the mare/jennet owner at our cost.

We require that all mares/jennets arrive with no shoes for breeding. Mares/jennets arriving with shoes will be pulled at owner's expense for the safety of our stud. At a minimum we require no rear shoes. We also offer reproductive IM hormone shots including but not limited to Lutalyse, Oxytocin, and Estrumate. We also offer basic uterine flushes. These shots are invoiced to the client at the rates below and client agrees to hold West Elk Equine harmless for any related side effects, injuries, or reactions to the injections or flushes.

Oxytocin Injection (to clear uterine fluid) : \$5/each
Lutalyse Injection (short cycling): \$15/each
Estrumate Injection (uterine clearing and short cycling): \$15
Uterine Flush: \$45

All other reproductive services will be performed by our veterinarian Dr. Darby Sullivan unless she is unavailable and will be billed directly to the client including but not limited to uterine lavage, uterine flush, reproductive exams, and ultrasounds. Clients are required to open an account with Dr. Darby Sullivan and all invoices must be paid prior to pick up.

Mares/Jennets that are not halter broken or otherwise dangerous will not be accepted. Breeder reserves the right to refund the breed fee and refuse any dangerous mare(s)/jennet(s) at any time we see fit. The mare/jennet shall be in a healthy and sound breeding condition, free from infections contagious and transmissible diseases. A current negative Coggins test and a photo copy of registration papers (both sides if registered) are required. Current vaccinations and worming are also required. At a minimum we require Eastern and Western Equine Encephalitis, West Nile Virus, Rhino (EHV1 & EHV4), and Tetanus. **Maiden mares and jennets over the age of 10 are required to have a negative uterine culture taken during their heat cycle and are strongly encouraged to preform a uterine biopsy. Mares are jennets that do not settle after three breeding cycles are required to obtain two uterine biopsies for cell layer analysis and culture, an ultrasound, and a cervical exam to resume further breeding efforts. Mares/ jennets that are found to be sub-fertile may seek treatment prior to resuming breeding efforts.**

If the mare/jennet is in questionable condition, then breeder's veterinarian will examine and/or test the mare/jennet at mare/jennet owner's expense. Breeder reserves the right to refuse mare if not in satisfactory condition. Breeder agrees to diligently try to settle mare/jennet; however, if mare/jennet fails to settle, for any reason, mare/jennet owner will hold breeder blameless. Mare/jennet owner agrees to give breeder ample opportunity to settle the mare/jennet, including a minimum of 3 breeding cycles.

This contract contains a 'Live Foal Guarantee'. A live foal is described as a newborn foal that stands and nurses without assistance. If foal is born dead there are return privileges for the 2021 season only if breeder is notified within 7 days and receives a veterinarian's statement confirming death. If after being pronounced "safe in foal", the mare/jennet should miscarry, abort or prove barren after leaving the breeder's premises, mare/jennet owner has the privilege to return her for rebreeding during the current breeding season, or the following year, 2021.

If the mare/jennet owner fails to rebreed the mare/jennet the following year, then any and all fees become forfeited, the right to rebreed is cancelled and the jack owner is released from all further obligation of this contract, unless otherwise agreed in writing and signed by both parties. If the mare/ jennet fails to settle after two consecutive seasons, then any and all fees become forfeited, the right to rebreed is cancelled and the jack owner is released from all further obligation of this contract, unless otherwise agreed in writing and signed by both parties. A 'Breeder's Certificate' will be issued for the foal conceived by this mating when jack fee, veterinarian expenses and all other expenses have been paid in full and, when mare has produced a live foal that stands and nurses by this mating.

Both parties agree that West Elk Equine, the breeder, their agents or employees are not liable for death, sickness and/or accident including consequential damages caused to the mare/jennet and/or foal unless such death, sickness and/or accident was by the willful and wanton gross negligence of the breeder; and the mare/jennet owner is not liable for death, sickness and/or accident including consequential damages caused to the stallion.
